Cary Classic Golf Tourney

CARY CLASSIC WINNERS' CIRCLE—(L-R) Craig Small, JCF board member; Pam Scheppele, JCF board president; Betty Deveau, Women's winner; Herrick Hanson, Men's Winner; Kris Doody, Cary CEO; Mary Harrigan, JCF Administrator; and Bill Flagg, Cary Public Relations.

CARY CLASSIC DRAWS STRONG FIELD

The 25th Annual Cary Classic Benefit Golf Tournament drew a strong field of more than 100 golfers from across Aroostook County and Western New Brunswick for two days of competitive play. Warm sunshine greeted golfers on day one of the event, but Sunday saw clouds and brisk winds as golfers struggled to hold low scores.

Herrick Hanson of New Brunswick came from behind to once again claim his perennial tournament championship with a two-day total of 149. Hanson edged out Ralph Michaud who lead through day one of the event. Michaud had a seven over par 151. Another familiar tournament champion, Betty Devoe claimed the women's championship. Devoe shooting a 161 over the two days just squeaked out the win by one stroke over Lupita Albert.

According to Club Pro Jeff Jose, the tournament was one of the most exciting over the 25-year history of the tournament. "This was very competitive play," said Jose. "To have both the men's and ladies winners decided by a total of three strokes, it doesn't get any better than that. The winners and the near winners were all very gracious and professional. This is what really makes the Cary Classic a special event."

During the tournament, the Jefferson Cary Foundation recognized Club Pro Jeff Jose for his efforts on behalf of the Cary Classic for nearly a quarter century. A plaque was presented outlining a plan to honor Jose and his family in the new Center for Breast Health, planned at Cary Medical Center. The plaque states that the \$25,000 raised by this year's tournament will be dedicated to Louise Jose who waged a courageous battle against breast cancer. Louise Jose, who had participated in the Cary Classic before her illness, was a great supporter of golf.

Time Warner Cable sponsored the 25th Annual Cary Classic and has been the major sponsor for the past four years. They have made a substantial contribution to the growth of the tournament and have taken the tournament to a new level. This year was a very special year for the Cary Classic. The 25th anniversary drew the most sponsors ever, including the most honorary corporate sponsors.

The tournament committee is making plans for the Cary Classic 2009, which will be held on July 11th & July 12th. For more information on this years' tournament please call the Foundation office at 493-4849 or e-mail us at jcf@carymed.org.
