## Message from the Board of Directors

The Board of Directors of the Jefferson Cary Foundation (JCF) would like to extend its heartfelt thanks to those groups and individuals whose generosity made 2009 a year to remember. In spite of a struggling local economy and the presence of many worthwhile local charities competing for charitable giving, the JCF saw a remarkable increase in both the number of donors and the revenue received in 2009. This income has allowed the Foundation to support a number of projects, and the ongoing support encourages the Foundation in its efforts to support Cary Medical Center.

### Fundraising

There are a number of ongoing fundraising activities that have contributed to the success enjoyed by the Foundation in 2009.

The 26th Annual Cary Classic Benefit Golf Tournament continues the tradition of being a major fundraiser for the Foundation as well as an annual stop on the Aroostook County summer golf tour. The ongoing support of sponsors and participants is gratefully acknowledged by the JCF. You can read about the winners and tournament details on pages 4 and 5.

The Annual Appeal, now in its ninth year, serves as the engine that drives the growth of the Endowment Fund, a

permanent fund, now over \$300,000, which will be used to generate interest revenue to fund health care projects. The continued support of Cary & Pines employees and community members is most appreciated by the JCF.

The Memorial Funds have seen tremendous growth in 2009. The JCF wishes to express its thanks to the staff at Cary Medical Center for the quality and

compassion of their care and the key role that the staff plays in the growth of the memorial funds. The JCF also sends its heartfelt thanks to those individuals and families who choose to honor the memory of family members by designating the Foundation and Cary Medical Center as their charity of choice.

### Ongoing Projects

#### • Tree of Life

This past year has seen more and more foliage appear on the "Tree of Life." This symbolic representation of giving (\$1,000) has served as motivation for and recognition of those individuals whose generosity is the life blood of the Foundation. The "Tree of Life" serves as the most public symbol of the Foundation, and its growth parallels the ongoing success of the Foundation.

For all who have helped the "Tree" bloom in 2009, the JCF extends its thanks.

### Passages

The year 2009 saw many changes at Cary Medical Center including the passing of beloved and long-serving surgeon Dr. Cesar Siruno. The family of Dr. Siruno chose to honor his memory through the JCF by funding the Dr. Cesar Siruno Stroke Education Center, which will be dedicated to providing education about stroke and stroke prevention. The JCF expresses our condolences and our thanks to the Siruno Family.

# Cary Classic Golf Tourney

**CARY CLASSIC WINNERS' CIRCLE**—Pictured left to right is Pam Scheppele, President JCF; Emily Jose, Overall Women's Winner, Phil Pelletier, Overall Men's Winner and Jim Martin, JCF board member.

## PELLETIER AND JOSE TAKE CARY CLASSIC

**P**hil Pelletier of Presque Isle charged back from being down seven strokes entering the final 18 holes to take first place in the 26<sup>th</sup> annual Cary Classic Benefit Golf Tournament, held at the Caribou Country Club on Saturday, July 11<sup>th</sup> & Sunday July 12<sup>th</sup> 2009.

The tourney featured a field of 95 golfers, with proceeds benefiting the proposed new mammography center at Cary Medical Center.

Pelletier shot a blistering 70 on Sunday, which included an eagle on hole No. 4, to defeat last year's tourney champion and seven-time winner Herrick Hanson of Perth-Andover, New Brunswick by a stroke. Mike

Hersey of Presque Isle, the leader by three strokes following Saturday's round, ended up four strokes back.

Emily Jose of Caribou was able to hold off last year's winner Betty Deveau for the win in the ladies division. Jose led by seven strokes after Saturday, but Deveau fought back with an 82 on Sunday to get within one. Vi Kemp of Palmyra, a past Cary Classic champion, was four behind Jose for third place.

The tournament committee is making plans for the Cary Classic 2010, which will be held on July 10<sup>th</sup> and 11<sup>th</sup>. For more information on this years' tournament please call the Foundation office at 493-4849 or e-mail us at [jcf@carymed.org](mailto:jcf@carymed.org).

Left to right: JCF Executive Director Mary Harrigan, Karla Bell, (Winnie's daughter), and recipient Kathryn Morneau.

Kathryn Morneau is this year's recipient of the \$500.00 Winnifred "Pete" Bell Scholarship. The scholarship was established in memory of Winnifred "Pete" Bell, RN, who worked at Cary for nearly 40 years on the obstetrics floor as a nursing supervisor. Upon her 80<sup>th</sup> birthday, Winnie's family established the scholarship to be awarded to a graduating Caribou High School senior pursuing a degree in nursing. Kathryn attends the University of Maine at Fort Kent and is the daughter of Guildo and Jeanine Morneau.

## Reuben and Annette Cote Family Scholarship

Traci Labreck of Limestone is this year's recipient of the \$500.00 Reuben & Annette Cote Family Scholarship. The scholarship is in memory of Annette Cote who was a patient at Cary in the mid-1980s. As a result of the wonderful care that she received while at Cary, her family established a scholarship in her memory to be awarded to a Cary nurse who is furthering his or her career in the nursing field. Traci is currently working in the Maternal/Child department at Cary Medical Center and will complete the midwifery program in the spring.
