Annual Appeal 2010

Every leaf gives new life . . .

The power to heal comes in many forms . . .

At Cary Medical Center, highly trained professionals provide state-of-the-art care to central Aroostook residents. Their commitment to health and healing is felt in each personal interaction — and truly defines Cary as your community hospital.

You, too, can make a lasting difference in someone's life.

When you give to the Jefferson Cary Foundation, you ensure the best care for those in need. The hospital's *Tree of Life* symbolizes this remarkable connection between donor and patient.

Every leaf commemorates a gift — or a series of gifts — totaling \$1,000 or more. Each commitment strengthens Cary for the future and gives patients the greatest gift of all: hope.

Why the Cary Endowment Fund matters . . .

- In uncertain times, an endowment provides a permanent and ongoing financial resource that will enable Cary Medical Center to continue to offer patients outstanding medical care.
- Income from our Endowment Fund can help Cary expand medical services, purchase the latest technology, hire new physicians, and support special projects that will keep the hospital an innovative and dynamic community resource.
- Once our Endowment reaches \$500,000, Cary will then be able to use the Fund's income to benefit the hospital.
- A contribution to the Endowment Fund represents an investment in the health of our community.

Make a difference today!

Donations of any amount to the Jefferson Cary Foundation have a critical impact on patient care and improve the lives of your family, friends, and neighbors.

Every leaf on the *Tree of Life* not only recognizes a generous contribution, but also celebrates the gift of hope given to those who need it most.

"Whenever we visit the hospital and approach the Tree of Life, our leaf sets a shining example for our children. Giving is a tradition we hope to inspire them and others to carry on." —Stephen Mazerolle
