28th Annual Cary Classic Benefit Golf Tournament

Cary Medical Center and the Jefferson Cary Foundation are pleased to announce the 28th Annual Cary Classic Benefit Golf Tournament sponsored by Time Warner Cable. Over the years this event has become a highlight of the golfing season in Northern Maine attracting some of the finest golfers throughout the region and old friends returning annually "from away". The tournament is exciting and competitive and an opportunity to rekindle former acquaintances and begin new ones. Most importantly, the tournament has raised more than \$175,000 in support of vital health programs at Cary Medical Center.

This year's tournament will be held at the Caribou Country Club on July 9th and 10th. Pre-registered golfers are entitled to a practice round on Friday, July 8th. The tournament is a 36 hole event providing some \$8,000.00 in cash and prizes to winners in 4 men's and 2 ladies' divisions. As always, there will be an exciting hole in one contest. The registration fee for the tournament is \$75 for members of the Caribou Country Club and \$85 for non-members. This includes the practice round, two full days of golf, closest to the pin and longest drive competitions, and the chance at the \$25,000 cash hole in one prize. The tournament awards banquet includes a dinner on Sunday evening. Each participant will receive a golf shirt.

Deadline for advance registration is Thursday, July 7th. Simply return the completed registration form to the address below. The field is limited to 120 people so please register early!

We look forward to seeing you. Questions may be directed to Mary Harrigan of the Jefferson Cary Foundation (207) 493-4849.
