Annual Appeal 2014

The Jefferson Cary Foundation Congratulates Cary Medical Center for 90 Years of Caring

When Dr. Jefferson B. Cary chose to leave a portion of his estate to the City of Caribou to build a community hospital in 1924 he could not have imagined what a legacy he would establish. Today, thanks to the dedication of hundreds of medical professionals, hospital personnel, volunteers, and many generous donors, Cary Medical Center has become one of the nation's finest rural hospitals. The Jefferson Cary Foundation has played a major role in this success and we are pleased to announce our 2014 Annual Appeal, celebrating the hospital's 90th Anniversary.

"... I give, bequeath and devise to the inhabitants of the Town of Caribou in said County or the City of Caribou, if the town shall become a city, for the founding and endowing of a secular and non-sectarian general hospital for the treatment of medical and surgical diseases to be paid and turned over to said inhabitants as hereinafter provided, for the use and benefit of all kinds and grades of suffering and humanity..."

~Dr. Jefferson B. Cary

Your gift to the Annual Appeal supports the Jefferson Cary Foundation Endowment, a permanent fund from which only the income generated will ever be used. One day, the income from this endowment will help to secure the future of state of the art healthcare at Cary Medical Center. But we need your help to make it grow.

The 90th Anniversary of Cary Medical Center celebrates the remarkable growth of the hospital. From its beginnings in 1924 to the new Cary Medical Center in 1978 and the multiple expansions over the past 35 years, the hospital has grown to meet the growing needs of the communities it serves. Today the hospital is looking to the future with the establishment of a comprehensive Cancer Treatment Program, expanding healthcare services for Veterans, and the new Center for Orthopedics and Sports Medicine. The new Women's Imaging Center, made possible by more than \$800,000 in charitable donations has been recognized as one of the nation's best Breast Centers. Beyond bricks and mortar Cary Medical Center has also been recognized nationally for outstanding quality of patient care, patient safety, and patient satisfaction.

Contributing to the 2014 Annual Appeal will help Cary Medical Center continue its long tradition of excellence. With 90 years behind us and the uncertain future of the next 90 years and beyond, one thing is certain, our need for the generous support of our community. Thank you for your previous generosity and please make your gift now to secure the future of quality, award winning healthcare in Northern Maine.

Mission Statement

The primary purpose of the Jefferson Cary Foundation is to support and enhance the programs and services at Cary Medical Center and improve the health and well-being of the communities it serves.

Jefferson Cary Foundation

A nonprofit 501(c)3 fund raising organization created for the purpose of improving health care in Aroostook County.
