Jefferson Cary Foundation

MISSION

The primary purpose of the Jefferson Cary Foundation is to support and enhance the programs and services at Cary Medical Center and improve the health and well-being of the communities it serves.

A Special Message from the Board of Directors

Each time we send out our Foundation Newsletter we pause to acknowledge the many generous individuals and organizations that have helped to make the Jefferson Cary Foundation such a strong and vibrant charitable benefactor for Cary Medical Center.

Whether it was a gift in memory of a lost loved one, a donation to the Annual Appeal, sponsorship of the Cary Classic Benefit Golf Tournament, or a pledged gift to a capital campaign, every gift matters and supports the ongoing need to improve and expand health care services for a growing number of patients and families.

For more than 90 years Cary Medical Center has benefited from the generous support of donors and for nearly 25 years the Jefferson Cary Foundation has managed the hospital's fund raising program.

Thanks to you this tradition of philanthropy continues and it is with our sincere thanks and confidence in your continued support that we look to a bright and prosperous future.

*“As we work
to create light for others,
we naturally light
our own way.”*

~ Mary Anne Radmacher

Deveau Repeats as Women's Champion in Cary Classic

Ralph Michaud of Presque Isle needed a one-hole playoff to beat Randy Hebert of Murrells Inlet, S.C. for the men's overall title in a rain-shortened edition of the Cary Classic Benefit Golf Tournament.

Betty Deveau of Caribou took the women's title for the second year in a row, holding off a rallying Emily Jose, while Hunter Flynn of Presque Isle repeated as the junior champion.

Due to Sunday's rain, the tourney was abbreviated to 27 holes from the normal 36.

The tournament was a fund-raising event for the Jefferson Cary Cancer Center. While the rain dampened the course, it did not discourage the golfers. We were so pleased with the support of our golfers. Not only did they not let the rain prevent them from playing some great golf, they stayed for the tournament awards dinner and were very supportive of the entire event. We also want to thank the Caribou Country Club, its members and their staff for, once again, putting on a great tournament program. Katahdin Trust Company was lauded for being the major sponsor of the tourney for the past three years. To be successful with a big event like this you need the financial support of a major sponsor. It has been a pleasure to work with Katahdin Trust and they have been a great and engaged partner. They along with our many supporters from the business community have really helped us to continue a very special golfing tradition here in the County.

Plans are already underway for the 2017 Cary Classic which will mark its 34th year. The dates are tentatively set for July 8th & 9th. For more information on the tournament contact Mary Haggan at 493-4849.

MEMORIAL SCHOLARSHIP AWARDS

Reuben and Annette Cote Family Memorial Scholarship Awarded to Two Cary Medical Center Nurses

The Jefferson Cary Foundation, (JCF), is responsible for the administration of scholarships awarded to individuals involved in the study of nursing at Cary Medical Center. The Reuben and Annette Cote Family Memorial Scholarship was established by their family many years ago to support ongoing nursing education at the hospital. The family was so impressed by the care that Annette received during her hospitalization at Cary in the mid-1980's, that they established a scholarship in memory of family members, Reuben Joseph Cote, Annette Cyr Cote, Bertram Paul "Bert" Cote, Freda Cote "Sis" Classy and Alfred Philip "Hap" Cote. The scholarship is awarded annually to a Cary Medical Center nurse(s) furthering their education in the nursing field.

In 2015, two Cary Nurses, Lisa Lajoie, RN and Dayna Michaud, RN, each received scholarship awards.

Lisa currently works on the Intensive Care Unit at Cary and is enrolled in the Community & Family Nurse Practitioner Program at Husson University. Dayna works on Cary's Acute Care Unit, and is currently in the Bachelor of Science in Nursing program at the University of Maine at Fort Kent.

Presenting Lisa, (far left) and Dayna, (far right), with their scholarship awards are Shanin Cote, (Alfred Cote's daughter), and Mary Harrigan, JCF Executive Director.
