Every leaf gives new life...

The power to heal comes in many forms...

At Cary Medical Center, highly trained professionals provide state-of-the-art care to central Aroostook residents. Their commitment to health and healing is felt in each personal interaction--and truly defines Cary as your community hospital.

You, too, can make a lasting difference in someone's life.

When you give to the Jefferson Cary Foundation, you ensure the best care for those in need. The hospital's *Tree of Life* symbolizes this remarkable connection between donor and patient.

Every leaf commemorates a gift--or a series of gifts--totaling \$1,000 or more. Each commitment strengthens Cary for the future and gives patients the greatest gift of all: hope.

Make a difference today!

Donations of any amount to the Jefferson Cary Foundation have a critical impact on patient care and improve the lives of your family, friends, and neighbors.

Every leaf on the *Tree of Life* not only recognizes a generous contribution, but also celebrates the gift of hope given to those who need it most.

To learn more:

- Call Tamra Kilcollins at (207) 493-4849
- E-mail jcf@carymed.org, or
- Visit www.carymedicalcenter.org/giving

All gifts are tax deductible.

Why the Cary Endowment Fund matters...

- The endowment provides a permanent and ongoing financial resource that will enable Cary Medical Center to continue to offer patients outstanding medical care.
- Income from our Endowment Fund can help Cary expand medical services, purchase the latest technology, hire new physicians, and support special projects that will keep the hospital an innovative and dynamic community resource.
- A contribution to the Endowment Fund represents an investment in the health of our community.

In a gentle way, you can shake the world.
~Mahatma Gandhi
